

Serie | 2, Gas, Free-Standing Cooker, Stainless Steel HGA24W255M

Accessories / supplied items

- Wire rack
- Aluminium baking tray
- Enamel baking tray
- Protecting plate
- Coffee pot set for economy burner

The freestanding gas cooker with gas hob: enjoy the benefits of gas when cooking and baking.

- Wok burner: powerful cooking at up to 3.6 kW.
- Flame failure safety device: gas supply is automatically interrupted if the flame goes out.
- Cast iron continuous pan supports for stable cookware and easy movement across the hob.
- Gas oven with 2 cooking functions: gas bottom heat and gas grill.
- Extra large 71 litre cavity with oven interior light and full glass inner door.
- Two-hand electronic ignition with control-panel ignition button.
- Electronic timer and adjustable feet for practical everyday use.

Built-in / Free-standing	Free-standing
Colour / surface	Stainless steel
Hob	Gas hob - 4 burners
Burner layout	2 standard, 1 economy, 1 wok
Wok burner	3.6 kW
Standard burner	1.7 kW each
Economy burner	1.0 kW
Oven	Gas oven
Cooking functions	Gas bottom heat; Gas grill
Oven cavity	71 litres
Energy efficiency class	A
Energy consumption / cycle	1.77 kWh (conventional mode)
Timer	Electronic timer
Ignition	Two-hand electronic ignition
Pan supports	Cast iron, continuous
Safety	Flame failure safety device
Door	Full glass inner door
Interior light	Yes
Dimensions (H x W x D)	850 x 600 x 600 mm
Electrical supply	220-240 V; 16 A fuse
Gas pressures	G20 20 mbar; G30 30 mbar; G31 37 mbar

Serie | 2, Gas, Free-Standing Cooker, Stainless Steel HGA24W255M

Cooking area

- Four gas burners: two standard, one economy and one wok burner.
- Front left wok burner: 3.6 kW.
- Rear left and rear right standard burners: 1.7 kW each.
- Front right economy burner: 1.0 kW.
- Cast iron continuous pan supports.
- Glass cover lid.
- Two-hand electronic ignition via control knobs / ignition button.
- Flame failure safety device.

Oven

- Gas oven with extra large 71 litre cavity.
- 2 cooking functions: gas bottom heat and gas grill.
- Heat setting for lower burner: 3 kW.
- Heat setting of gas grill: 2.1 kW.
- Oven interior light.
- Full glass inner door.
- Shelf support rails.
- Protecting plate required for grilling.
- Electronic timer.

Cleaning / construction

- Grey enamel oven interior.
- Stainless steel cooking surface.
- Glass lid for hob.
- Adjustable feet.
- Plinth drawer for kitchen utensils.

Energy and connection

- Energy efficiency rating (EU No. 65/2014): A.
- Energy consumption per cycle in conventional mode: 1.77 kWh.
- Heat source: gas.
- Number of cavities: 1.
- Electrical supply: 220-240 V.
- 16 A fuse required for electrical connection.
- If the electricity supply drops below 180 V, the electrical ignition system does not work.
- Natural gas (G20): nominal operating pressure 20 mbar.
- LPG (G30): nominal operating pressure 30 mbar.
- LPG (G31): nominal operating pressure 37 mbar.

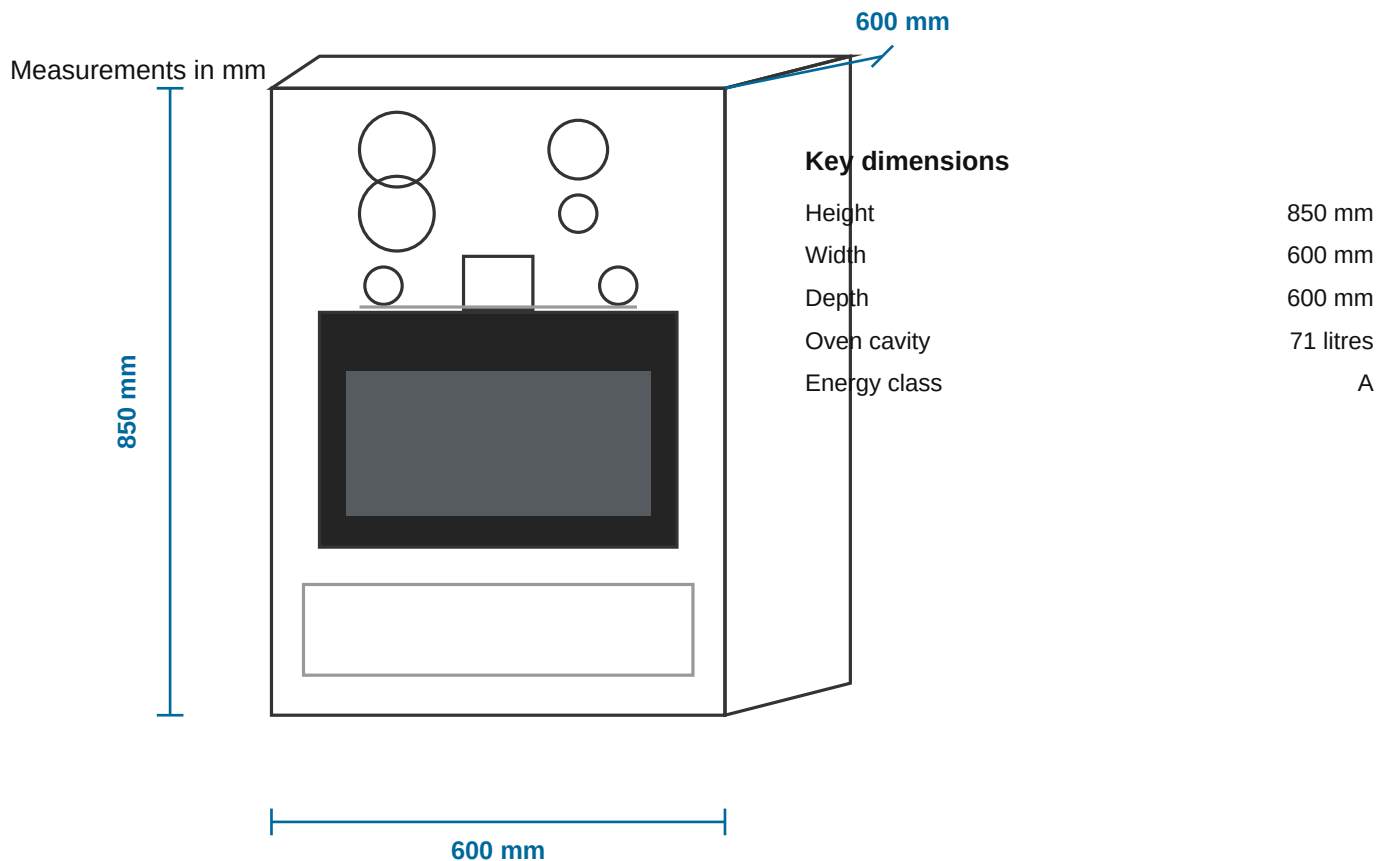

Controls

- Function selector sets oven temperature from 170-270 °C or selects grill.
- Lower gas burner heat setting: 3 kW.
- Gas grill heat setting: 2.1 kW.
- Light button controls oven illumination.
- Ignition button activates electronic ignition system.
- Four burner knobs control the hob burners.
- Clock button, plus and minus buttons are used for timer / cooking-time settings.

Dimensions and installation

- Appliance dimensions: 850 x 600 x 600 mm (H x W x D).
- Freestanding installation directly on the kitchen floor.
- Adjustable feet for levelling.
- Cooker must be fixed to the wall using the supplied bracket to prevent tipping.
- Distance from high-output / wok burner to adjacent unit fronts or wall: at least 50 mm.
- Extractor hood clearance must meet the hood manufacturer instructions.
- Gas connection may be made from the right or left side using a suitable fixed connection or safety hose.

Serie | 2, Gas, Free-Standing Cooker, Stainless Steel HGA24W255M

Operating summary

- The HGA24W255M is a 60 cm stainless-steel freestanding gas cooker with four gas burners and a 71 litre gas oven.
- The hob includes two standard burners, one 3.6 kW wok burner and one 1.0 kW economy burner, with continuous cast iron pan supports.
- The oven provides gas bottom heat and gas grill functions, plus oven lighting, electronic timer and full glass inner door.
- Flame-failure protection automatically interrupts the gas supply if a burner flame goes out.
- Natural gas and LPG operating pressures are specified in the Bosch installation documentation; installation should be performed by an approved professional.

Specification basis: Bosch product information, Bosch HGA24W255I/HGA24W255M instruction manual and Bosch regional product listings.

Model availability may vary by market. Please verify the rating plate and supplied installation documents for the specific appliance.
