

KDN56VI20M

505LTR

Freestanding Fridge/Freezer

Spacious cooling.
Exceptional freshness.
Every day.

- NoFrost**
No more manual defrosting. Saves time and energy.
- Multi Airflow-System**
Even distribution of cool air for consistent temperature throughout the fridge.
- VitaFresh**
Humidity-controlled vegetable container keeps fruits and vegetables fresh for longer.
- Chiller Compartment**
Extra-cold drawer for meat and fish to keep them fresher for longer.
- LED Lighting**
Bright, energy-efficient and long-lasting interior lighting.
- Easy Twist Ice Box**
Convenient ice making and easy removal.

A+ **Energy Efficiency**
Low energy consumption, high performance.

505L
GROSS CAPACITY

FEATURES & BENEFITS

- NoFrost**
Prevents ice build-up so you never have to defrost again.
- Chiller Compartment**
Keeps meat and fish at lower temperature for maximum freshness.
- Multi Airflow-System**
Ensures even cooling on all shelves for longer freshness.
- LED Lighting**
Illuminates the interior evenly without increasing temperature.
- VitaFresh**
Humidity-controlled vegetable container maintains the ideal environment for produce.
- Easy Twist Ice Box**
Easy-to-fill and easy-to-remove ice cube tray.

CAPACITY

GROSS CAPACITY
507 L

MARKETED CAPACITY
505 L

REFRIGERATOR
378 L

- 3 Safety glass shelves
- 1 Chiller compartment
- 1 VitaFresh vegetable container
- 4 Door bins
- LED interior light

FREEZER (TOP)
129 L

- 1 Glass shelf
- 2 Door bins
- Easy Twist Ice Box

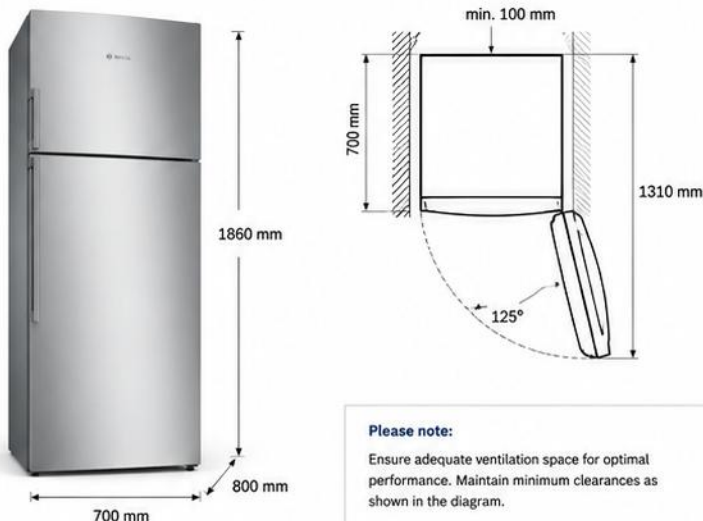

KEY FEATURES

- Top-mounted freezer
- NoFrost technology
- Multi Airflow-System
- VitaFresh humidity-controlled vegetable container
- Chiller compartment for meat and fish
- LED interior lighting
- Tempered glass shelves
- Door open warning
- Temperature warning
- Automatic defrost
- Quick freezer function
- Easy clean interior
- Reversible door (right hinge)
- Adjustable front feet, rollers at the back

TECHNICAL SPECIFICATIONS

Model	KDN56VI20M
Product Type	Freestanding Fridge/Freezer
Installation Type	Freestanding
Total Gross Capacity	507 L
Total Marketed Capacity	505 L
Refrigerator Capacity	378 L
Freezer Capacity (Top)	129 L
Energy Efficiency Class	A+
Energy Consumption	365 kWh/year
Climate Class	SN-T
NoFrost	Yes
Defrost System (Fridge/Freezer)	Automatic / Automatic
Temperature Control	Electromechanical
Noise Level	42 dB(A) re 1 pW
Freezing Capacity	9 kg / 24 h
Power Failure Storage	17 hours
Door Hinge	Right (Reversible)
Voltage	220 - 240 V
Frequency	50 Hz
Rated Power	90 W
Current	0.7 A
Net Weight	93.5 kg
Color / Finish	Stainless Steel (Anti-fingerprint) (Inox Look)

DIMENSIONS (mm)

Please note:

Ensure adequate ventilation space for optimal performance. Maintain minimum clearances as shown in the diagram.
