

Serie | 4, Freestanding Fridge-Freezer KDN32X73

TOP FREEZER | BRUSHED STEEL ANTI-FINGERPRINT

The NoFrost top-freezer fridge-freezer with ChillerBox keeps meat and fish fresh for longer and saves you from manual defrosting.

- MultiBox drawer with wave bottom for fruit and vegetables.
- NoFrost cooling in both fridge and freezer compartments.
- Two independent cooling systems allow separate control of fridge and freezer.
- Multi Airflow distributes cool air evenly throughout the refrigerator.
- SuperFreezing function helps protect frozen food when new items are added.
- Anti-Fingerprint brushed steel finish for easier cleaning.
- Near 0 deg C Chiller compartment for meat and fish.

Technical details

Refrigerator compartment

- Total net refrigerator capacity: 246 litres.
- 4 safety glass shelves, with 3 height adjustable.
- Multi Airflow system for even temperature distribution.
- 1 vegetable container and 1 Chiller compartment with wave bottom.
- 4 refrigerator door trays.
- Interior refrigerator light.
- Automatic defrost in the refrigerator compartment.

Freezer compartment

- Net freezer capacity: 63 litres.
- SuperFreeze function.
- Twist ice dispenser.
- 1 plastic shelf in freezer compartment.
- Automatic defrost in the freezer compartment.
- Freezing capacity: 6 kg in 24 hours.

Design and controls

- Cambered high-door design.
- Inox EasyClean doors with brushed steel anti-fingerprint finish.
- Steel Look side panels.
- Two cooling circuits for separately controllable compartments.
- Right-hinged door, reversible.

Technical performance

- Noise level: 44 dB(A) re 1 pW.
- Climate class: not stated in the reviewed Bosch specification sheet.
- Frost-free system applies to both fridge and freezer.
- Multi-Flow Air Tower / Multi Airflow system included.
- No interior ventilator listed in the technical data.

Electrical information

- Connection rating: 160 W.
- Current: 10 A.
- Voltage: 220-230 V.
- Frequency: 50 Hz.
- Electrical supply cord length: 240 cm.
- Plug type: GARDY plug with earthing.
- Approval certificates: CE, VDE.

Standard accessories

- Butter dish.
- Egg tray.

Convenience features

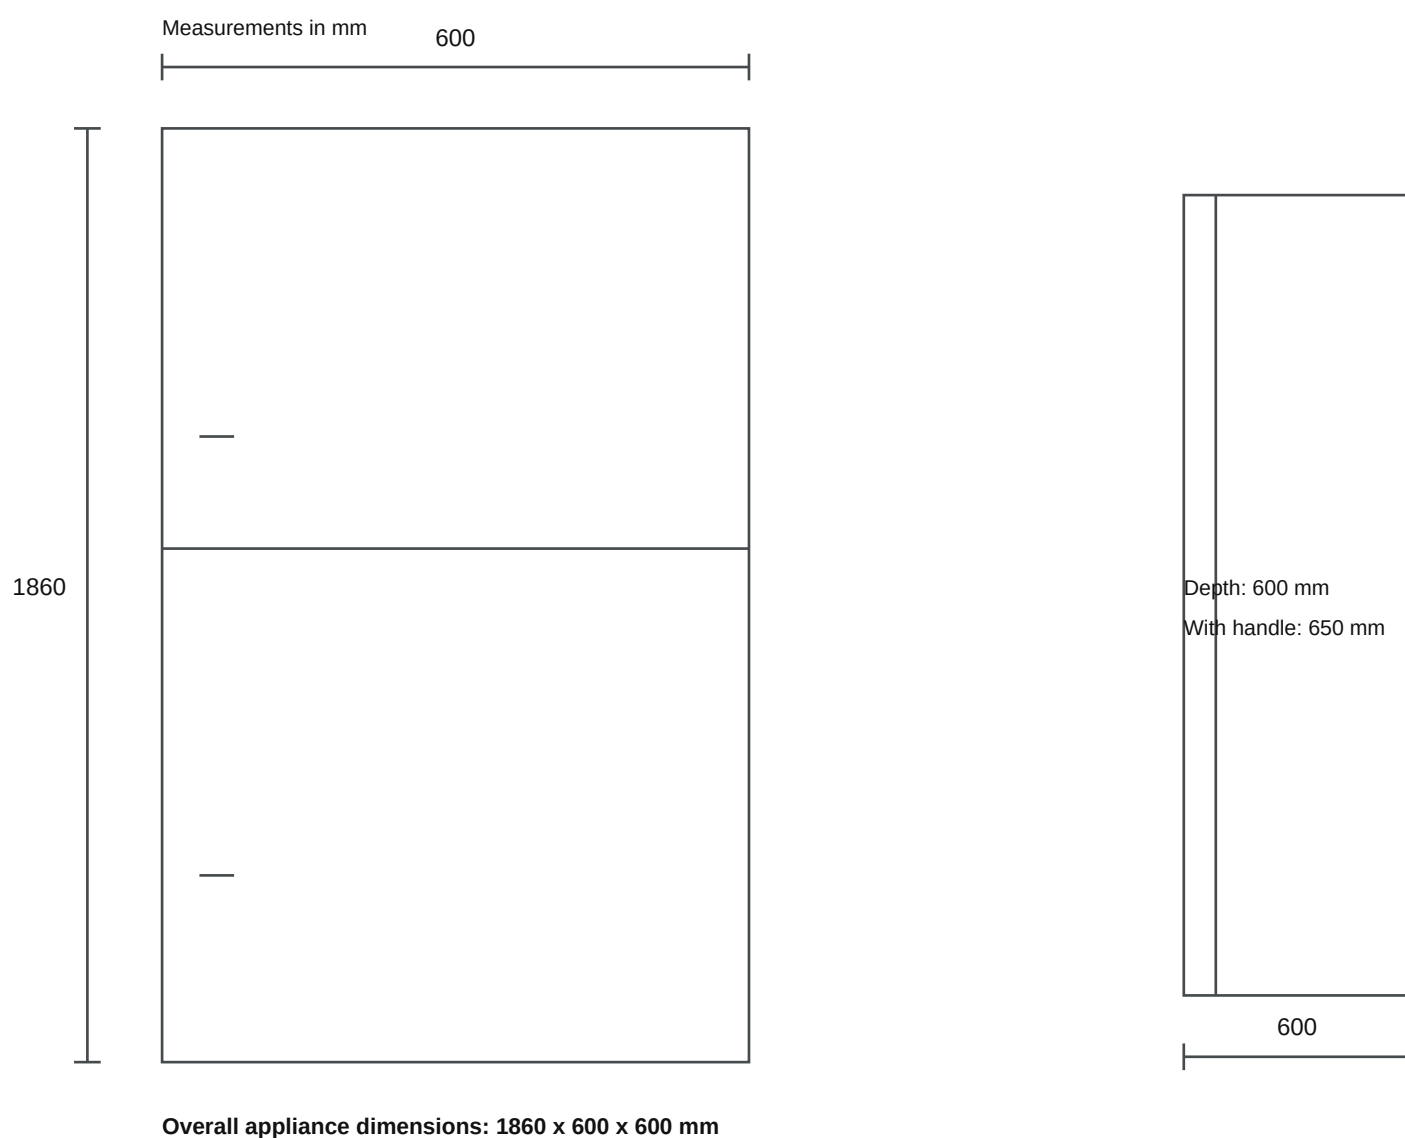

- Height-adjustable front feet; rollers at rear.
- Door-closing aid.
- 4 refrigerator door bins; gallon storage supported.
- No Home Connect connectivity.
- Main finish: brushed steel anti-fingerprint.

Key product summary

Measurements and installation

Installation notes

- Freestanding installation - no built-in niche required.
- Overall dimensions: 1860 mm high x 600 mm wide x 600 mm deep; Bosch product page gives 650 mm depth including handle.
- Allow sufficient ventilation space around the appliance and keep ventilation openings unobstructed.
- The door hinge is right-hinged and reversible.
- Use the rating plate on the appliance for final electrical and installation verification.
