

KDN46VL205

Freestanding Fridge/Freezer | Top Freezer | Silver / Inox

Freestanding Fridge/Freezer

KDN46VL205

TOP FREEZER | NOFROST | A+ ENERGY CLASS

Spacious NoFrost fridge-freezer with Multi AirFlow for even cooling and convenience.

- **NoFrost:** prevents ice build-up so manual defrosting is not required.
- **Multi AirFlow:** helps distribute cool air evenly throughout the refrigerator.
- **Top-freezer design:** keeps the freezer compartment conveniently at eye level.
- **Fast freeze:** rapid freezing function for newly stored food.
- **Reversible doors:** door hinge can be adapted to suit the installation.
- **LED lighting:** provides clear illumination inside the refrigerator.

Key specifications

Construction type	Freestanding
Door hinge	Right, reversible
Dimensions (H x W x D)	1850 x 700 x 650 mm
Total volume	375 L
Energy efficiency class	A+
Energy consumption	320 kWh/year
Power supply	220-240 V / 50 Hz
Rated current	10 A
Climate class	SN-T
Frost-free system	NoFrost
Cooling technology	Multi AirFlow
Freezer position	Top

Product highlights

- 375 L total volume for family-sized storage
- NoFrost frost-free cooling system
- Multi AirFlow for homogeneous temperature
- A+ energy efficiency rating
- Reversible door arrangement
- LED interior illumination

KDN46VL205 - Technical Details

Performance, storage and convenience features

Performance & Energy

Total volume	375 L
Energy efficiency class	A+
Annual energy consumption	320 kWh/year
Cooling system	NoFrost
Air distribution	Multi AirFlow
Freezer location	Top mounted

Refrigerator Compartment

- Safety glass storage shelves for flexible organization
- Vegetable / fresh-food storage zone
- Bottle storage in door
- LED interior lighting
- Multi AirFlow cooling for even temperature distribution

Freezer Compartment

- Top freezer compartment
- Fast-freeze function
- NoFrost frost-free operation
- Easy storage of frozen food with dedicated freezer space

Comfort & Installation

- Reversible door hinge for flexible kitchen placement
- Freestanding installation
- Height-adjustable feet for leveling
- 240 V class household electrical supply
- Climate class SN-T for suitable ambient temperature conditions

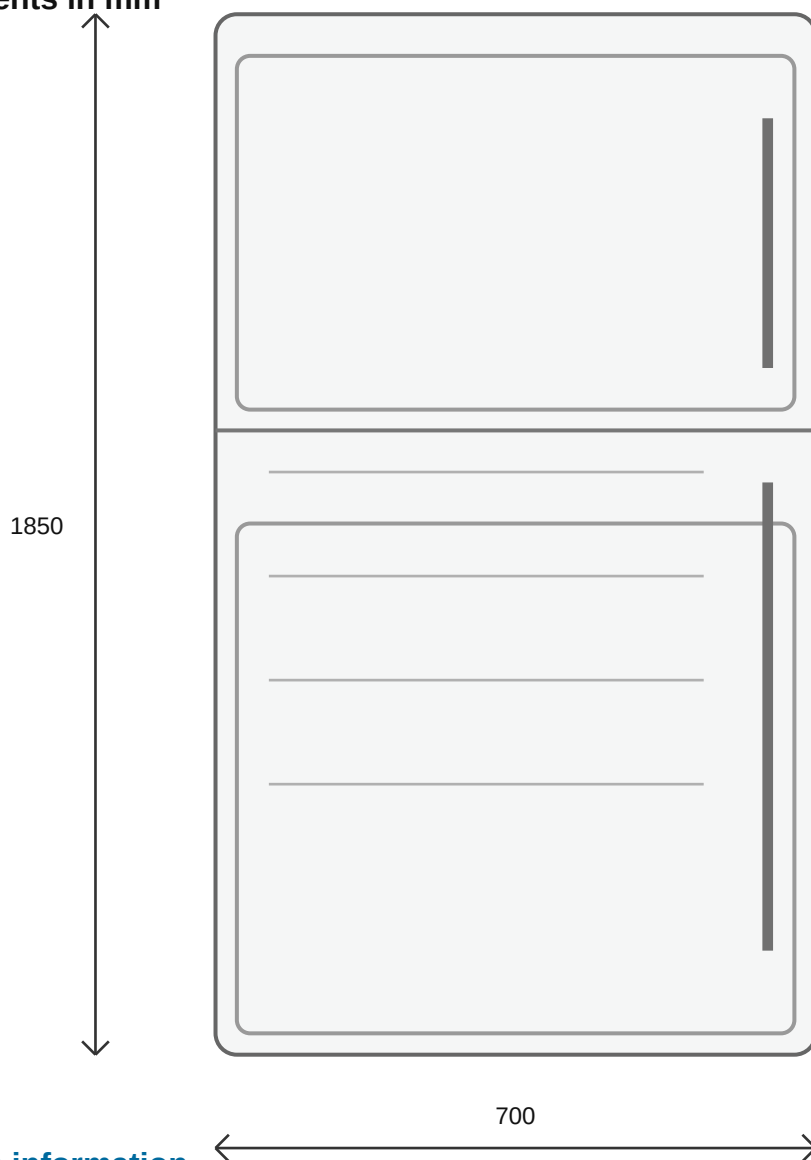

Electrical Data

Voltage	220-240 V
Frequency	50 Hz
Rated current	10 A
Energy class	A+
Energy consumption	320 kWh/year

KDN46VL205 - Dimensions

Dimensional overview and installation information

Measurements in mm

Installation information

Product dimensions: 1850 mm H x 700 mm W x 650 mm D

Door arrangement: Right hinged; reversible

Installation type: Freestanding

Ventilation: Allow sufficient clearance around the appliance for heat dissipation and door opening.

Flooring: Install on a level, stable surface and use adjustable feet to level the appliance.

Important

Confirm actual site clearances and door swing before installation.
